

Safety Data Sheet

according to Regulation (EU) No. 1907/2006

Abrasive wheel for edge coating removal, elastic HP

Print date : 30.01.2009

Page 1 of 3

1. Identification of the substance/preparation and of the company/undertaking

Identification of the substance or preparation

Abrasive wheel for edge coating removal, elastic HP

Use of the substance/preparation

Abrasive

Company/undertaking identification

Company name :	BOHLE AG	
Street :	Dieselstr. 10	
Place :	D-42781 Haan	
Telephone :	02129 5568-0	Telefax : 02129 5568 282
e-mail :	info@bohle.de	
Inquiry office :	chemische Entwicklung	

2. Hazards identification

Classification

No dangerous ingredients according to Directive 2001/58/EC

3. Composition/information on ingredients

Chemical characterization (preparation)

Synthetic resin(s) and filler(s).

Further Information

No dangerous ingredients according to Directive 2001/58/EC

4. First aid measures

General information

No hazards which require special first aid measures.

5. Fire-fighting measures

Suitable extinguishing media

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

6. Accidental release measures

Additional information

No special environmental precautions required.

7. Handling and storage

Handling

Advice on safe handling

Dust must be extracted directly at the point of origin.

Advice on protection against fire and explosion

No special technical protective measures required.

Storage

Further information on storage conditions

Keep in a dry place. Keep away from heat.

8. Exposure controls/personal protection

Exposure limit values

Exposure controls

Occupational exposure controls

Use the indicated respiratory protection if the occupational exposure limit is exceeded and/or in case of product release (dust) .

Respiratory protection

Dust safety masks are recommended when the dust concentration is more than 10 mg/m³.

Eye protection

safety glasses with side-shields conforming to EN166

Skin protection

Ear protection

9. Physical and chemical properties

General information

Physical state : solid
 Colour : brown
 Odour : odourless

Important health, safety and environmental information

Test method

Changes in the physical state

Flash point : not applicable
 Water solubility : insoluble

10. Stability and reactivity

Additional information

No decomposition if stored and applied as directed.

11. Toxicological information

Additional information on tests

This product has no known adverse effect on human health.

12. Ecological information

Further information

This product has no known eco-toxicological effects.

13. Disposal considerations

Advice on disposal

In accordance with local and national regulations.

14. Transport information

Further Information

Not dangerous goods in the meaning of ADR/RID, ADNR, IMDG-Code, ICAO/IATA-DGR

15. Regulatory information
